Dear Salutation,

I was delighted when your gift came in this week and I noticed that you were giving to AUC for the first time. Welcome to the AUC family of donors!

With tuition covering only about 60 percent of an AUC education, we count on the generous support of our alumni and friends to help us get the job done. It's people like you who keep the library stocked with books, who ensure that labs and classrooms are equipped with up-to-date technology and who help us provide students with the many opportunities they need to learn and grow. Gifts to the AUC Fund greatly enhance the excellence of an AUC education for thousands of students each year. **Your gift does make a difference!**

We welcome your support and encourage you to stay connected to AUC:

- Visit [www.aucegypt.edu](http://www.aucegypt.edu) to gain up-to-date information on plans for the new campus and all the events and activities at AUC. Read the *Caravan* and *AUCToday* online, email your favorite professor, and update us on new addresses, phone numbers, or emails. You can even make your next donation online through our secure server.
- Visit the campus — we'll be glad to give you a tour and update you on new projects.
- Send the enclosed postcards to friends and family and share your pride as an AUC donor!

Thank you once again for your contribution. I look forward to having you as a member of the AUC family of donors for many years to come, and I hope that you are as enthusiastic as I am about the outlook for the university's future.

Yours very truly,

Director of Annual Giving
