Your Gift

(WILL OPEN DOORS)

**YOUR GIFT PROVIDES MORE THAN AN EDUCATION** – it helps shape futures. With the influence of the Benedictine tradition and Saint Leo's core values, students are encouraged to achieve a balanced growth in body, mind and spirit. Engaging courses, thriving educational centers, and transformational friendships inspire students to achieve at the highest level. With your support, our students have the opportunity to excel.

Around the world, Saint Leo graduates are building their futures and achieving excellence. Our students are guided by committed faculty who help them plan and pursue their education. Students are given tools – intellectual, physical and spiritual – to achieve their aspirations. With your help, students are enabled to make their dreams reality.

Alumni say the reason they give to the annual fund is because of the confidence, maturity and experience they gained while attending Saint Leo. With your support, students today may pursue their educational goals and experiential opportunities that will change their lives forever. With you, our students' opportunities are endless.
