UTSA

ANNUAL FUND

THE ANNUAL FUND IS MISSING

Can you imagine how different your life would be if you hadn't come to UTSA? The friends, the professors, your degree—each is a piece in the unique puzzle that makes up your life.

And just as UTSA will always be a part of your life's puzzle, you will always be a part of UTSA's!

THOUSANDS OF PUZZLE PIECES AND STILL GROWING!

UTSA's growth over the last few years has earned UTSA a reputation as one of the fastest-growing universities in Texas, and this dynamic growth is putting UTSA well on the way to becoming a premier research institution. But success brings challenges and opportunities with it,

and UTSA needs your help to make sure our puzzle is prepared to meet them.

PUTTING THE PUZZLE TOGETHER

Even as UTSA's potential and vision increases, state funding decreases. Gifts from alumni and friends through the **Annual Fund** help UTSA replace these missing pieces from our puzzle.

The **Annual Fund** supports UTSA's seven colleges, two schools and many departments and institutes by providing flexible funding that can meet the ever changing needs of a growing student body and three campuses. Gifts to the **Annual Fund** support a wide variety of areas at UTSA, from the library to lab equipment and research efforts to scholarship awards.

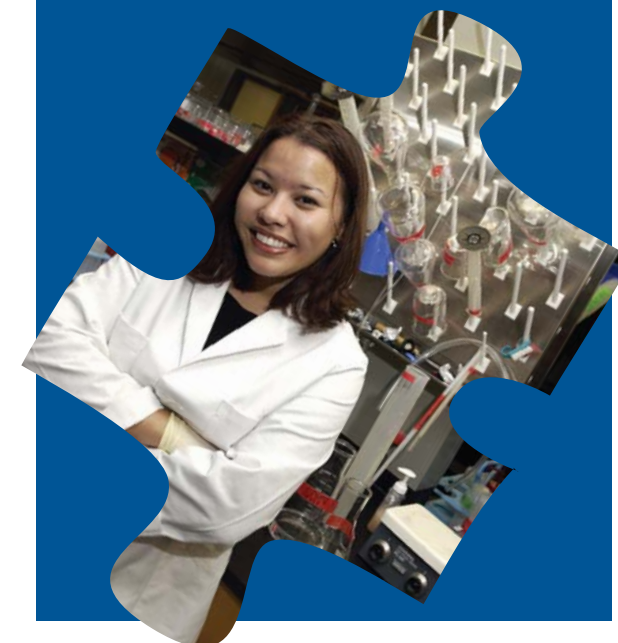

Annual Fund gifts allow UTSA to better serve the students and the community by providing access to excellent faculty, facilities and programs.

COMPLETE THE PUZZLE

Make your gift today and see how strong UTSA can be once all the pieces of the puzzle are connected.

FREE PUZZLE PIECES!

Do you work for a company that has a matching gift program? Many companies will match gifts their employees make to their *alma mater*. These matches can increase the direct benefit of your gift to UTSA by doubling or even tripling it!
