

Waterloo College > Waterloo Lutheran University > Wilfrid Laurier University

The more we change... The more we **stay the same.**

Remember the winter carnivals. Prom night. The Boar's Head Dinner. Cheering our Hawks on to victory. And making new friends at Shinerama.

Remember the dedicated teachers. Amazing school spirit. Our supportive, close-knit community.

Special memories of a special time in your life.

Help us to ensure that our students continue to enjoy the rich student experience that has been our hallmark since 1911.

When our student fundraisers call, please be generous.

Support Laurier's Annual Fund.

Your gift will make a difference.
