

Great News for ITP

To encourage a broad base of support for ITP among alumni and friends, a member of ITP's board of trustees has established a *challenge fund* to match the gifts of friends and alumni, *up to \$25,000*. Here are the terms of the challenge:

- Any gift made between now and Month dd, yyyy will be matched on a dollar for dollar basis.
- Any new gift (that is, the donor did not give last year) will be matched 2 for 1.

This is an invitation to "put your money where your heart is," as one trustee expressed it, or, as another said, to "double or even triple your money in support of ITP."

Your support will be used carefully to address special opportunities and needs as they arise, so it represents an important element of ITP's success. Funds from the challenge will make possible the following initiatives:

- Increased scholarships
- Expanded alumni and student activities (for example, the newly established Career Resource Center)
- Additional support for faculty research
- Strengthening the Global Program
- Adding courses for a second cohort of PhD candidates.

Won't you consider making a gift to help accomplish these objectives? A reply envelope is enclosed for your convenience. For all of us here at ITP, heartfelt thanks for your consideration of this request.

Sincerely,

Vice President of Institutional Advancement
