OFFICE OF ANNUAL GIVING

UC Irvine thanks you for your gift during our 2009-2010 school year! Whether you supported scholarships, your school, athletics or our greatest needs, your gift benefits all UCI students.

It is the annual, year-after-year support such as yours that makes the difference between a basic education and a truly outstanding one.

We hope you will have a chance to visit the campus soon to witness the impact of your generosity. Again, THANK YOU!
