ADDRESS

Dear NAME,

As seniors and members of Big 7 this year, we’ve begun our last few months at The Ethel Walker School and found ourselves reminiscing about the journey we’ve taken and the experiences we’ve had over the last few years. Soon we’ll be off to college and suddenly we’re acutely aware of how valuable an education is. Walker’s has provided us with exceptional resources to achieve anything we set our mind to and has opened our eyes to what lies ahead.

Reminiscing made us wonder to whom we owe thanks for helping us get through Walker’s years, for providing opportunities to which we may not have otherwise been exposed? Certainly our own parents deserve credit and thanks for their unconditional support. Our teachers and our advisors deserve our gratitude for the wealth of knowledge they’ve shared.

It then occurred to us that **we owe thanks .... to YOU!** Through your Annual Fund support, you are the “unsung hero” for students like us. Often we are oblivious to *how* the quality education and exceptional programs at Walker’s come about, unaware of the impact your generosity has made in our lives.

As you know, gifts from alumnae are used for a variety of academic and student programs. Student aid, merit scholarships, academic and extracurricular programs, athletics, and music and the arts are only a handful of the areas that benefit from the Annual Fund. Ultimately, every gift to the Annual Fund makes a difference for students here.

We extend our thanks to you for deciding to support the Annual Fund while we’ve been students. *Although we will be graduating in June, we hope you will consider renewing your support of the Annual Fund this year to ensure unlimited opportunities for future students.* They arrive, as we did, wide-eyed and anxious to immerse themselves in all Walker’s has to offer.

Our Walker’s education has indeed prepared us well for college and beyond. Thank you for helping to make that possible.

Sincerely,
