

# Thank You!

*for helping to grow the  
Otterbein College  
Annual Fund!*

## **plant me**

This paper pot is embedded with wildflower seeds. Soak the pot in water for a day, then plant under a thin layer of loose soil.

Water daily and keep moist until seedlings are well established.

Germination time is 1-4 weeks

planting instructions ▲

***Thank you for supporting the  
Otterbein College Annual Fund!***

Because of your support, our students were able to work in upgraded computers labs, participate in study abroad programs, learn in updated classrooms and buildings, and much more! Support from alumni, parents and friends like you makes a difference in the life of every Otterbein student.

Our new fiscal year started July 1. Your continued investment in the College helps support the Otterbein mission by ensuring that we are educating students to be productive and caring citizens.

Thank you for your support!

Sincerely,

*Jennifer Waddell*
