Agilent Technologies Matches Gifts to Eastern Washington University

Agilent Technologies is one of many employers that sponsors matching gift programs and will match any charitable contributions made by its employees to Eastern Washington University.

Employees of Agilent Technologies are encouraged to visit our [matching gift form](#) to follow the quick and easy instructions that may help to double, or even triple, the amount of their gifts to EWU.

After completing the Agilent Technologies matching gift form, donors may mail it to **EWU Foundation, 102 Hargreaves Hall, Cheney, WA 99004-2413.**

"Thanks to employee-donors and Agilent Technologies, the future looks brighter for EWU and our students," says Lisa Poplawski, EWU director of Alumni Advancement. "Private financial support and Agilent Technologies matching gifts are vital to our students' continued success."

For more information regarding matching gifts, visit www.ewu.edu/matchinggift or contact Lisa Poplawski at 509.359.4555.
