# DOUBLE The IMPACT

“Longwood holds a very special place in our hearts. Seeing it grow by leaps and bounds strengthens the pride we feel and, despite the current economic conditions, instills a desire to help ensure a promising future. That’s why we were so excited when asked to sponsor this campaign. If *you* give, *we* give.”

– Michael and Nancy Patterson Terry ‘91

Longwood alumna Nancy Patterson Terry ‘91 and her husband Michael have made it simple.

## “If You Give, We Give.”

Hopefully you know that private gifts to Longwood University help to make the Longwood experience unique. Nancy and Michael Terry want to make sure that you don’t forget it, even in tough times.

Nancy and Michael have pledged to give \$25,000 to Longwood this May, but there is a catch. This \$25,000 will come in the form of a dollar-for-dollar match from all other Longwood donors. So *any* gift given to the Longwood Fund in May will be matched – *Doubling The Impact!*

### SIMPLE MATH

**If you give \$25 to the Longwood Fund in May, they will match \$25. \$25 + \$25 = \$50**

Recently, the Longwood Fund has:

- ★ Provided scholarships to more than 20 students studying abroad;
- ★ Sent 12 students to Yellowstone National Park as part of the American Democracy Project;
- ★ Provided funds to the Camerata Singers and University Concert Choir for touring;
- ★ Supported operations of the Cormier Honors College for Citizen Scholars;
- ★ ... and much, much more!

Although each of us had different experiences, we hope that Longwood made a lasting impression on you. Meeting the Terry Challenge will ensure current students get a chance to create their own Longwood experiences.

Make your gift to the Longwood Fund during May and *double the impact*. Return the enclosed pledge card or visit us at [www.longwood.edu/makeagift](http://www.longwood.edu/makeagift).
