

PRIVACY NOTICE

The information you provide will be used for university business and will not be released unless required by law. A portion of all gifts are used to defray the costs of administering the funds.

TAX CONSIDERATIONS

Consider your tax benefits when making a gift to the University of California, Irvine. All gifts are tax deductible according to Internal Revenue Service guidelines for charitable gifts.

EMPLOYER MATCHED CONTRIBUTIONS

If your employer is one of more than 1,000 companies sponsoring a matching gift program, your gift to UC Irvine can be doubled or even tripled in size. Your human resources/personnel office can provide you with a matching gift form. Simply complete the form and enclose it with your contribution. UC Irvine will do the rest! For questions regarding UC Irvine's matching gift program, please call 949.824.5634.

Dear Mr. Anteater:

Forty years ago, UC Irvine's charter class created the foundation for a world-class university to serve generations of Anteaters to come. In June 1969, UC Irvine's first four-year class left UCI with degrees in hand and the knowledge needed to shape a brighter future for themselves and their communities.

While the mission of our university has not changed since those early days, UC Irvine has seen a tremendous amount of growth in the ensuing four decades. We are one of the University of California's fastest growing campuses and graduate more than 7,000 new Anteaters each year. We are among the very best across the nation in research and educational programs such as environmental sustainability, nursing, creative writing, the performing arts. UCI also is ranked 10th among public and private universities whose students graduate with the least amount of debt. This is a result of the support we get from alumni, parents and friends like you.

Today, new challenges face those of us who value our fine institution. These challenges will impact the affordability of higher education for many of our students. Increased educational costs coupled with a massive decrease in state support and California's need to educate growing numbers of students is a theme that will likely continue for years to come. We need your help.

The differences between our charter class to today's class are significant:

	1969	2009
Enrollment	3,548	27,000
Fees	\$321	\$8,775
State Support	62%	13%

Having recently embarked on a \$1 billion campaign, UCI is leveraging its world-class strengths to shape the future in areas of national and global importance to make a positive impact on humanity. This campaign also is leading the university's efforts to increase scholarship support for our students.

With YOUR help, our students and faculty will continue to address issues that matter to people in their daily lives and help make tomorrow better than today.

Please consider making a gift to The UCI Fund. Your gift will help to support the areas of greatest need on campus, and will help ensure that today's Anteaters can stand on top of the strong foundation our inaugural class created.

Sincerely,

Jorge Ancona
